

Supporting the language(s) of  
schooling -The ROADMAP

# ECML Training & Consultancy Denmark 2025

Deadline: 1 October 2025

Name and function/role:

E-mail:

## 1. Please give us a short overview of your school and/or your territory

Name of the school + city, website of the school	
Information about the students (how many, age, etc.)	
Main challenges	
Language(s) taught	Language(s) of schooling: Other languages:
Are there any other languages which are used in your school (by students, parents, teachers)?	

2. List five words or phrases that you associate with a “language(s) of schooling”.
3. Would you say the learning environment in your school is *language friendly*? Explain in few words/ sentences.
4. What are your expectations and needs for the Training and Consultancy session?
5. Do you have some additional comments to add?
